LION’S SHARE
DIGITAL
We craft digital brand experiences that connect.
We believe in the power of leading the pack. In crafting a digital brand presence that propels clients forward in their respective industries and markets. Our solutions give individuals and corporate brands a resounding personality and voice across the digital landscape.

At Lion’s Share Digital, we embrace the definition of our name, the largest portion, for our clients. The love of music is the driving force behind our creativity and developing an engaging online presence for artists, music festivals, and thriving brands. Whether you are a one-man/one-woman act or a thriving enterprise, we want you to step up and be heard above the static of your competitors.

Boundless creativity and unconventional planning frame our project conception process; gearing strategies and campaigns toward steady growth and momentum. It’s no secret that success isn’t achieved overnight. Our process results in a strong brand foundation that continues to expand and thrive over time.

Specialties include: creative design, branding, website development, ecommerce, social media strategy, SEO, digital communications, and print media. We’re here to obsess over your success.

Austin’s Top Web Design Firm for Creative Industry Organizations
AMPLIFY YOUR BRAND

Website Development
Make your digital mark.
We specialize in Wordpress, giving you access to an engaging, modern, user-friendly site. SEO friendly, responsive, with plugins and upgrades to support your business expansion. Example artists and music festivals include The Glitch Mob, CloZee, Beats Antique, Psymbionic, Boreta, Seismic Dance Festival, and Summer Meltdown Festival.

Branding
Create a strong connection.
We develop brand narratives that generate trust, engagement, and long-lasting fans.

SEO
Stand up. Stand out.
Search engine algorithms change often and old strategies can lead to penalties. We focus on best-in-class strategies to use keywords properly, implement a powerful local strategy, and ensure your social platforms do their part.

eCommerce
Turn visitors into fans, and fans into buyers.
We've created successful eCommerce solutions for artists like CloZee, Beats Antique, and Psymbionic. Turn your website into a revenue-generating machine with a Shopify, WooCommerce, storefront or a custom solution to meet your exact needs. Increase your revenue with event pre-sales, event tickets, and merchandise all from your website.

Design
Inspired designs and inventive messaging shape your unique brand vibe. We'll express your story through naming, logo creation, color palette selection, and content creation. You work hard to captivate audiences. Our design approach will ensure your work truly shines.

THE GLITCH MOB

The Glitch Mob is an American electronic music group from Los Angeles, California. It consists of edIT (Edward Ma), Boreta (Justin Boreta), and Ooah (Josh Mayer). Chris Martins of LA Weekly noted that they, “have undoubtedly found the largest audience of any L.A. beat scene artist yet.

1. Challenge

• Current platform was difficult for fans to discover their work, merchandise, tour dates, or connect on social media.
• Website was not easy to update without sacrificing quality.
• Website did not display properly on a desktop, tablet, or mobile device.

2. Solution

1. Develop a custom designed website to capture their passion for music, art, and the community.
2. Create an impressive display of their music and videos.
3. Implement Shopify to showcase and sell merchandise quickly and easily.
4. Develop a mobile-friendly, easy to update, search engine-optimized website.

What We Did

100% Custom Design and Developed WordPress Website, Shopify Integration, Content, SEO

The Glitch Mob Project Portfolio
1. Challenge

- The previous website did not showcase the artistic passion or unique and innovative ideas embodied by the design firm.
- The website was disjointed and inconsistent, making it difficult to navigate.

2. Solution

1. Rework the site design to capture Heather Shaw's passion for music, art, design, and community.
2. Create a portfolio to proudly display the work developed for their clients.
3. Create video and photo displays to showcase the innovative solutions and stunning designs developed by their team.
4. Develop a mobile-friendly, search engine-optimized, easy to update website.

Vita Motus is a multi-disciplinary design firm that implements innovative techniques to create products and environments which set trends and forge new paths in the entertainment and design industries. **1. Challenge**

- Customers did not have access to Psymbionic products online content.
- No website where customers could find out more about the artist projects, music, news...

**2. Solution**

1. Create a website that the client could easily access and update.
2. Strengthen the eCommerce experience and implement Shopify to showcase and sell merchandise quickly and easily.
3. Create an engaging website where users can easily learn more about the brand.
4. Develop a mobile-friendly, search engine-optimized, easy to update website.
Summer Meltdown is a multi-day music and camping festival that takes place every August in Darrington, WA. On its 14-year run, the festival is internationally acclaimed for its stunning location, diverse music lineup, and plethora of exciting outdoor activities.

What We Did
100% Custom Design and Developed WordPress Website, Artist Pages, Logo and Branding, Custom Illustrations for Flyer and Website, Merchandise, ....

1. Challenge
   - Lacked a brand presence or logo for the 2018 Summer Meltdown Festival.
   - Desired new illustrations for event posters and other key marketing assets.
   - Needed a new website to match the new brand identity for the event.

2. Solution
   1. Create a fresh audience appealing logo, designed to convey the festival’s idyllic atmosphere.
   2. Design custom illustrations to match the logo.
   3. Create multiple marketing assets: venue and camping map, sponsor deck, full credentials, handbills, and others.
   4. Designed banner ads and social media graphics to match the new branding.
   5. Developed a custom website and managed hosting and DNS to ensure site performance.

Boreta

Justin Boreta is an electronic music producer, and founding member of The Glitch Mob, a Los Angeles-based live electronic group. Justin is also an emerging voice in the meditation and psychedelic medicine community with projects and podcasts with figureheads like Ram Dass and Aubrey Marcus.

What We Did
100% Custom Design and Developed WordPress Website, Stylish Animations, Newsletter Registration

To view full website please visit:
https://boreta.net/

1. Challenge
   • Current **platform was difficult for fans** to discover Boreta’s work, podcasts, or links to social media.
   • No existing page to promote or sign-up for an **email newsletter**.

2. Solution
   1. Create a foundation to grow Boreta’s email list.
   2. Elegantly **express Boreta’s brand** through digital imagery, video, and interactive web elements.
   3. **Design a website** allowing for easy updates to text, imagery, and page layouts.
   4. Develop a website to **seamlessly add future projects** and blog pages.
   5. Create a compelling and **eye-catching layout** that properly displays on a desktop, tablet, or mobile device.
Our Clients

Building a digital presence that speaks.

Lion’s Share has been an absolute pleasure to work with. They went above and beyond to provide awesome art for our campaigns, and were super responsive throughout every project. Assets came in on time, and the custom solutions they built for us, as well as their principles of caring for customers and being good people, have stood the test of time. We highly recommend Lion’s Share for both design and website needs!
